STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at <https://doi.illinois.gov>.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.

- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Multiple Causes: *How long will benefits be paid if a period of Disability is extended by another cause?*

If a period of Disability is extended by a new cause while Weekly Benefits are payable, Weekly Benefits will continue while You remain Disabled, subject to the following:

$$\text{Weekly Benefit} = \frac{(A - B)}{A} \times C$$

Where

A = Your Weekly Pre-disability Earnings.

B = Your Current Weekly Earnings.

C = The Weekly Benefit payable if You were Totally Disabled.

If You are participating in a program of Rehabilitative Employment approved by Us, We will determine Your Weekly Benefit by the Rehabilitative Employment Benefit.

Days which You are Disabled and Working may be used to satisfy the Benefits Commence Period.

Partial Week Payment: *How is a benefit calculated for a period of less than a week?*

If a Weekly Benefit is payable for less than a week, We will pay 1/5 of the Weekly Benefit for each day You were Disabled.

Rehabilitative Employment Benefit: *What happens to my benefits if I accept Rehabilitative Employment?*

If, while You are Totally Disabled or Disabled and Working, You accept Rehabilitative Employment, We will continue to pay a Weekly Benefit.

The Weekly Benefit We will pay will be equal to Your Total Disability Weekly Benefit, less 50% of any income received from the Rehabilitative Employment.

The sum of the Weekly Benefit and total income received from Rehabilitative Employment may not exceed 100% of Your Pre-disability Earnings. If this sum exceeds the Pre-disability Earnings, the Weekly Benefit paid by Us will be reduced by the excess amount.

We reserve the right to review any Rehabilitative Employment You participate in while benefits are being paid under The Policy.

We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

Misstatements: *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement, except fraudulent misstatements, made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your or Your beneficiaries' eligibility for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;
- 2) consider and interpret The Policy and all information obtained by Us and submitted by You that relates to Your claim for benefits and make Our determination of Your eligibility for benefits based on that information and in accordance with The Policy and applicable law;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled **Claim Appeal**. If You do not appeal the decision to Us, then the decision will be Our final decision.

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

While a claim is pending We have the right at Our expense:

- 1) to have the person who has a loss examined by a Physician when and as often as reasonably necessary; and
- 2) to make an autopsy in case of death where it is not forbidden by law.

WASHINGTON
PROTECTION FOR YOU AND YOUR INSURANCE POLICY
THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

PREFACE

This brochure briefly describes the coverage provided through the Washington Life & Disability Insurance Guaranty Association ("Association").

The Association is a non-profit unincorporated legal entity created by the Washington Life and Disability Insurance Guaranty Association Act, Chapter 48.32A RCW ("Act"). Every life and disability insurance company authorized to do business in Washington is a member of the Association. A Board of Directors ("Board"), composed of representatives from member insurers, and the Insurance Commissioner, ex-officio, oversee the operation of the Association.

The expenses of the Association are paid by assessments made against each member insurer. Persons covered by the Act are not charged for the expenses of the Association or the protection provided under the Act.

Coverage is provided for certain life and disability insurance. However, the Association does not cover all such insurance. Coverage that is provided is subject to the limitations and exclusions provided by the Act.

The purpose of this brochure is to help you understand the general nature and the conditions of the protection provided under the Act. It is only a summary, however, and if you have specific questions that are not discussed here you may contact either the Association or the Office of the Insurance Commissioner.

QUESTIONS AND ANSWERS

1. WHAT INSURANCE POLICIES ARE COVERED UNDER THE ACT?

The Act applies to life insurance policies, disability insurance policies, and annuity contracts issued by an insurance company or health plan authorized to do business in Washington. The term "disability insurance," as used in the Act, includes not only disability income insurance, but also policies commonly referred to as "health insurance" (which includes long term care policies). Together, all of these policies and contracts are sometimes referred to as "covered policies," a term used in this brochure.

2. ARE THERE POLICIES OR INSURERS NOT COVERED BY THE ACT?

The Act specifically excludes certain types of policies or portions of policies, including, but not limited to: The portion of a policy not guaranteed by the insurer; the portion of a policy to the extent the interest rate or crediting rate exceeds the limits in the Act; policies of reinsurance, unless assumption certificates have been issued; policies issued in Washington by an insurer at a time when the insurer was not licensed or did not have a certificate of authority; policies issued to a self-insured plan or program; certain unallocated employee benefit plan annuities protected by federal law; and unallocated annuity contracts not issued to or in connection with a benefit plan or a government lottery.

The Act also does not apply to policies or contracts issued by fraternal benefit societies, self-funded multiple employer welfare arrangements, mandatory state pooling plans, mutual assessment companies, insurance exchanges, or an organization that has a certificate or license limited to issuance of certain charitable gift annuities.

3. WHO IS PROTECTED UNDER THE ACT?

You are covered by the Act if you are an owner of or certificate holder under a policy or contract (other than an unallocated annuity contract or structured settlement annuity), and:

- You are a Washington resident; or
- You are not a Washington resident, but only if the insurer is domiciled in Washington; there is an association like the Washington Association in your state of residency; and you are not covered in your state of residency, because the insurer was not licensed in that state; or
- You are a beneficiary, assignee, or payee of one of the above, regardless of where you reside (except for nonresident certificate holders under group policies).

Owners of unallocated annuity contracts are covered if the contract was issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in Washington, or the contract was issued to or in connection with a government lottery and the owner is a Washington resident.

A payee under a structured settlement annuity (or beneficiary of a deceased payee) is also covered, if the payee is a Washington resident, or the payee is not a Washington resident, but the contract owner is a resident; or the insurer that issued the annuity is domiciled in Washington and coverage is not available in the state in which the payee resides.

Residency is generally determined at the time of entry of an order of liquidation against the insurer. If you move to another state and reside there when such an order is entered, you may still have protection under the law of that state. You should contact the insurance department in your new state of residence to find out about guaranty act protection there.

4. HOW DOES THE ASSOCIATION PROTECT COVERED PERSONS AGAINST LOSS?

After an order of liquidation is entered against a company, the Association begins its work of carrying out the purpose of the Act, which is to assure the performance of insurance obligations of that company. The Association is authorized to carry out its duties by working with insurance companies in good standing to assume or take over the covered policies. The association may also directly provide benefits and coverage as authorized by the Act. The Association has the authority to collect the funds necessary to provide protection to covered persons against losses on their covered policies.

5. WHERE DOES THE ASSOCIATION GET THE MONEY TO PROVIDE THIS PROTECTION?

The Association is authorized to collect money from all member companies doing business in Washington state. The funds collected from an assessment are used to pay claims to covered persons and/or to fund the assumption of covered policies by another insurer.

6. DOES THE ASSOCIATION PAY OUT THE MONEY IT COLLECTS RIGHT AWAY OR DO COVERED PERSONS HAVE TO WAIT?

The Association generally cannot make an assessment for covered policies issued by a company until after an order of liquidation has been entered against the company, and a reasonable estimate can be made of the amount of money needed. Insurance companies receiving an assessment notice must make their payments within thirty days.

Because it takes time for an action to be commenced against a financially impaired insurer, for a Court to issue an order, and for funds to be collected to satisfy the obligations of that insurer, some delay, hopefully short, is unavoidable before payments can be made. Although it is impossible to predict how long this process will take in any given case, an average time period of twelve to eighteen months is not unusual.

When necessary, the Association may borrow money to make payments more promptly, particularly in cases that will take an unusual amount of time to be resolved.

7. WHAT IS THE AMOUNT OF PROTECTION PROVIDED BY THE ACT?

The Act provides the following maximum amounts of protection:

Life Insurance Death Benefits.....	\$500,000
Disability Benefits and Health Benefits (including Long Term Care Benefits under Health Benefit Plans).....	\$500,000
Present Value of Individual Annuities.....	\$500,000
Unallocated Annuity Contracts, other than certain government retirement plans (limit is per contract owner or plan sponsor).....	\$5,000,000
Government Retirement Plans established under Internal Revenue Code §401, 403(b), or 457 if covered by an Unallocated annuity (limit is per participant).....	\$100,000

This protection becomes effective at the time of entry of a Court order of liquidation against the insurer. Of course, if the amount owed under the contract or policy is less than the maximum benefit under the Act, the covered person will be entitled to protection only up to the actual amount owed.

Furthermore, the maximum protection available to each covered person remains the same, regardless of the number of contracts through which he or she has a claim. The maximum protection is per covered person per insolvent company.

8. IF A HUSBAND AND WIFE EACH INDIVIDUALLY OWN A COVERED POLICY, IS THE PROTECTION UNDER THE ACT PROVIDED TO EACH OF THEM?

Yes. As long as the residency requirements are met, both would be entitled to the protection provided by the Act, up to the maximum amount.

9. WHY DOESN'T MY INSURANCE COMPANY ADVERTISE THE FACT THAT ITS POLICIES AND CONTRACTS ARE PROTECTED UNDER THE ACT?

Under Washington law, insurance companies are prohibited from advertising that their policies or contracts may be covered under the Act.

You should not rely on coverage under the Act when selecting an insurance company.

10. WHY HASN'T MY AGENT TOLD ME ABOUT THE GUARANTY ACT?

Your insurance agent is subject to the same prohibitions as your insurance company. As a representative of the company, an agent must exercise great care when soliciting business and consequently, will generally not discuss the subject of a guaranty act with clients.

11. WHO SHOULD I CONTACT IF I BELIEVE THERE HAS BEEN A VIOLATION OF THE ACT?

You should contact the Association if you believe your rights have been violated under the Act. If you are dissatisfied with the actions of the Association, you may also contact the Office of the Insurance Commissioner.

CONCLUSION

This brochure has been prepared by the Washington Life and Disability Insurance Guaranty Association. Its purpose is to inform the public in a general way of the protections that are available in this state on insurance policies and annuity contracts issued by companies authorized to do business in Washington. The Association does not, by this brochure, endorse any company or its products, but rather seeks to address some of the concerns that you may have regarding the security of insurance policies and annuity contracts.

For more information or answers to specific questions you may contact the Washington Life and Disability Insurance Guaranty Association or the Office of the Insurance Commissioner, whose addresses and telephone numbers are shown in the Preface.

This brochure is prepared and made available through the Washington Life and Disability Insurance Guaranty Association, which has granted member insurance companies permission to reproduce and distribute the brochure. STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and

10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance

Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
